Forecast For Wales
Issued by Met Office Exeter
at 1600 on Tuesday 11 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Scattered showers persist overnight, further sunshine and showers Wednesday.

This Evening and Tonight:
Heavy showers through the evening ease going overnight but will linger in places. Through the early hours, a more organised band of showers moves in from the south. Breezy at times near the south coast. Minimum temperature 5 deg C (41 deg F).

Wednesday:
Another day of sunny spells and scattered showers, these heavy and possibly thundery at times. Rain, heavy at times, will affect southeastern areas through the late evening. Maximum temperature 15 deg C (59 deg F).

Outlook for Thursday to Saturday:
Rain at times across many areas on Thursday, but brighter further west by Friday, with winds remaining light. More widespread rain or showers, heavy at times, on Saturday.
